

PRESS RELEASE

17thOctober2018

Statement Issued by Shri Randeep Singh Surjewala, In-Charge Communications, AICC

The Lid of Modi Govt's Murky Sweetheart Deal in the Rafale Scam is now off !

Simple Question to Modiji is- 'Are you PM of India or PM of Anil Ambani'?

Rs 30,000 Cr 'Offset Deal' between Dassault Aviation & Reliance was brokered by Modi Govt!

Modi Govt's Rafale Scam gets murkier and muddier by the day. Fresh documents have again reinforced the fact that PM Modi facilitated a sweetheart deal with Dassault Aviation to enormously and illegitimately benefit a crony friend i.e Reliance Defence.

It also strongly underlines the charge of Ex French President, Mr. Francois Hollande about PM Modi securing a deal for Shri Anil Ambani. The BJP which is running helter-skelter and throwing all kinds of inconsumable alibis to defend the indefensible will have to be made accountable on the Biggest Defence Scam that has hit the country.

New set of additional documents reveal the truth of Rs 30,000 Cr 'Offset Contract' & a Rs 1,00,000 Cr 'Life Cycle Cost Contract' to PM Modi's friend's - Shri Anil Ambani's company's Reliance Defence establishes that the deal between Dassault Aviation & Reliance Defence was a 'compensation' brokered by Modi Govt and states that it was "it was imperative and mandatory for Dassault-Aviation to accept this counterpart"

1. The French labour laws makes it compulsory for companies with over 50 employees to set up a 'Central Works Council'[CCE's] (which is on the same lines as Trade Unions in India) . The committee has a role in the financial management of the company as well as in the social and cultural activities of employees. [Please Refer Explainer as Annexure A1]

The Minutes of the Meeting held on May 11, 2017 between two such trade unions – CGT & CFDT and Dassault Aviation's COO, MrLoikSegalen lifts the lid off the murky sweetheart deal of Rs 30,000 Cr which was facilitated by Modi Govt between Dassault Aviation and Reliance Defence. Mr. Segalen

According to Minutes of the Meeting with CGT [Annexure A2 in French & A3 in English]

"A complete presentation of the "Make in India" with the creation of the enterprise "Dassault Reliance Aerospace" in NAGPUR was made. According to Mr SEGALEN, it was imperative and mandatory for Dassault-Aviation to accept this counterpart in order to obtain the export contract Rafale India"
