Statement Issued by Shri Randeep Singh Surjewala, In-Charge, Communications, AICC

Modi Govt's 'Greed' is making Everyone's Budget 'Bleed'!

LPG Prices- 18.11 Crore LPG customers suffering under the greedy Modi Government

"BJP is Cruel"

"They Loot in the Name of Fuel"

Even as high Petrol and Diesel prices were singeing the budgets of 'Common People', 'Farmers' & 'Middle Class', the Modi Govt again launched a midnight assault on the people by hiking the price of LPG cylinders. **BJP Govt has already earned a humongous Rs 10 Lakh Cr in taxes on fuel prices.**

The price of Subsidized Cooking gas (LPG) has been hiked **₹ 1.76 per cylinder**, while the price of Non-subsidized cylinder was hiked by **₹35.50 per cylinder**. In **May 16, 2014** -A subsidized 14.2-kg LPG cylinder used to cost **₹ 412 in Delhi**, after increase in the price it costs **₹ 498.02**. **This is an outrageous increase of ₹86 per cylinder in the past 4 years.**

A Non- subsidized 14.2 kg LPG cylinder costed **₹414** in Delhi in May 2014, now it costs **₹789.50**. **This is whopping increase of ₹375.50 per cylinder.**

People are distressed due to price rise and their hard earned savings are being evaporated by the greed of the Modi Sarkar. **People are asking why the BJP Govt is profiteering from their savings and inflicting unbearable burden on their incomes.**

The promise of 'Acche Din' has turned out to be the biggest hoax which Shri Narendra Modi has played on the people of India. Only few months are left for the people of the country to give a befitting reply to the Modi Government.

Congress has demanded in the past and we shall continue to demand that Fuel Prices must be brought under the GST ambit.
