

## **PRESS RELEASE**

Sept. 18, 2017

**Randeep Singh Surjewala, MLA & Media Incharge, AICC has issued the following statement to the press today:-**

***Rampant Unemployment – Blatant Corruption galore – BJP Government has betrayed Haryana's youth.***

***Khattar Government has become "Paper Leak Sarkar", Future of lakhs of youth under a cloud***

BJP Governments at Centre and in Haryana usurped power by misleading the youth with false promises of a bright future. Modi ji promised 2 crore new jobs every year. Khattar Government promised employment to every youth of Haryana and a monthly unemployment allowance of Rs.6,000/Rs.9,000 to those who would not get a job. A sense of betrayal and treachery has marked the three years of BJP rule for India's and Haryana's youth, yearning for a job and place in the society to contribute.

After three years, Haryana's youth find themselves at a crossroad with no hope of livelihood or employment and with the future looking bleak in Khattar Government's rule. Malfeasance, fraud and corruption in jobs have reached a nadir. In this entire web of deception and treachery, Khattar Government projects itself to be sometimes helpless (when it is incapable and incompetent) and at other times, there appears to be a complicity of the ruling dispensation.

**Mere 7,886 recruitments made by Khattar Government in three years as 20,000 terminated.**

In three years, Khattar Government could recruit a pittance of 7,886 jobs through HPSC and HSSC (**1,160 jobs through HPSC and 6,726 jobs through HSSC**), which is a glaring example of grave injustice done to Haryana's youth. As against this, nearly 20,000 youth have either been sacked or given a notice for termination of services. Services of 3,581 Guest TGT teachers were terminated, but Supreme Court granted stay to them. 3,500 Guest JBT teachers have been put on notice to be sacked, out of which 100 teachers from Panipat and Yamuna Nagar Districts have already been terminated. 2,300 Computer Teachers and 2,622 Computer Lab Assistants, whose services were terminated twice, have been taken back in July, 2017 after a prolonged agitation. Services of about 1,500 employees working in NHM and NRHM were also terminated. In addition, 5,000 daily wage/temporary employees working in PWD, Public Health Engineering, Irrigation, Forests and Food & Supplies departments have also been terminated.

Truth is that Khattar Government is attacking the livelihood and employment of the youth.

## **Khattar Sarkar has become “Paper Leak Sarkar”**

Corruption and Scams, both in education and employment, is an everyday affair. Future of youth has been put under a dark cloud of uncertainty on account of the multiple Paper Leak Scams committed in HPSC, HSSC, Police Recruitments, HBSE, HTET, AIPMT, NEET etc. etc.

In Khattar Government, as many as 13 paper leak scams have been exposed. These include – (1) All India PMT Paper Leak Scam (May, 2015) involving an embezzlement of Rs.100 crore; (2) HBSE Plus 2 English Paper Leak Scam (March, 2015); (3) HTET Paper Leak Scam (November, 2015); (4) Kendriya Vidyalaya Primary Teacher Paper Leak Scam (October, 2015 – Rewari); (5) Clerk Recruitment Paper Leak Scam (December, 2016) in which name of a Panipat-based School belonging to a BJP leader has been found to be involved; (6) Excise Inspector Recruitment Scam (December, 2016); (7) HBSE 9<sup>th</sup> Class Hindi Paper Leak Scam (March, 2017); (8) NEET Paper Leak Scam (May, 2017); (9) B. Pharmacy Paper Leak Scam (July, 2017); (10) HCS (Judicial) Paper Leak Scam (July, 2017); (11) Agriculture Inspector Recruitment Scam (July, 2017); (12) Conductor Recruitments Paper Leak Scam (September, 2017) and (13) Assistant Professor, College Cadre Paper Leak Scam (February, 2017).

Thus, the credibility of the entire Khattar Government is under a cloud. Malfeasance, frauds and corruption reached the highest level of administration with the kingpins of paper leak scams roaming scot-free. Khattar Government, which came to power with the promise of transparency, has betrayed Haryana’s youth.
