

Title:-BJP-RSS's anti-dalit stands exposed

Shri Randeep Singh Surjewala has issued the following statement to the press -:

BJP-RSS's anti-dalit stands exposed once again with RSS's Prachar Parmukh, Manmohan Vaidya's call to abolish reservation. The Indian National Congress strongly condemns such conspiratorial agenda against India's Dalits and poor to deny them the Constitutional guarantee of reservation. Such calls are regularly made by BJP-RSS leaders before the crucial elections to polarise the voters and garner votes on casteist lines.

Earlier also, BJP/ RSS stood was exposed when RSS Sarsanghchalak, Shri Mohan Bhagwat called for review of Reservation Policy for Backward Classes and Scheduled Castes. Similiar was the statement made by former Union Minister of BJP, C.P.Thakur and other leaders. Modi Govt has been surreptitiously following the RSS agenda through its actions and policies including systematic withdrawal of schemes for SCs/STs/BCs and by imposing budgetary cuts.

We call upon PM, Sh. Narendra Modi to apologize and assure the Nation that such conspiracies would be checked once for all.
