

PRESS RELEASE

Feb. 09, 2015

Shri Randeep Singh Surjewala, MLA & Spokesperson, All India Congress Committee has issued the following statement to the press today:-

“Entire society and Nation is deeply shamed by horrific and gruesome rape and murder of a mentally challenged Nepalese girl in Rohtak, Haryana. Beastly manner, in which body parts of the victim were severed and rods, stones and other foreign objects were found by doctors from private parts, reflects extreme perversion reminding us of Nirbhaya Case of Delhi.

Five days after this incident, Haryana police is clueless and BJP government is yet to wake up from its slumber. While Haryana BJP Government spends lakhs of rupees on ‘*Beti Bachao Yojna*’, Chief Minister and his Ministers have not found time to even visit the victim’s family.

Indian National Congress demands that Chief Minister, Shri Manohar Lal Khattar takes note of this reprehensible attack on soul of humanity and provide necessary financial and emotional support to family of the victim. BJP Government must immediately reconstitute an SIT under the charge of an officer of Inspector General of Police rank or above as also ensure immediate arrest of accused, who are a threat to the society at large. Government must also ensure speedy trial of accused through a special court and exemplary punishment to them.”
